FROM THE PRESIDENT

Dear OA Family,

Grateful, excited, and proud! Each year I ask our student ambassadors to share three words that describe themselves. I'm always amazed at how well three simple words can tell so much about who they are and how they will engage with others throughout the year. These three words -grateful, excited, and proud - were the ones I chose to describe myself as I begin this new journey at OA.

I'm grateful for our students and their individual strengths, talents, and gifts they bring every day to OA. I'm grateful for the dedicated and passionate teachers and staff who go beyond every day to educate, support, challenge, and inspire our students to be the best they can be. I'm grateful for the parents and families of OA for trusting and partnering with us every step of the way. I'm grateful for the Sisters of St. Francis, the many friends, and supporters of OA for believing, sharing, and truly understanding the importance of our mission. And, I'm grateful to all the OA alumni for taking the OA spirit into the world.

I'm excited about the energy and enthusiasm of our OA community. From the many volunteers at Freudenfest this summer to the cheering fans at our soccer and volleyball games, to the student ambassadors welcoming our visiting 8th grade classes, the OA spirit is strong! The launching of our new grade-specific Go Beyond Blocks focused on music, service, leadership, college and career readiness, and life skills, our new culinary arts class, and the new STEM mural showcase the creative and innovative happenings this year at Oldenburg Academy.

I'm proud to be a part of a community that embraces the school motto of "be Christ to others, and let others be Christ to you" - reminding us of the importance to live this value in our thoughts, words, and actions each and every day. The overwhelming success of our "Volley for Hope" night this fall and the incredible number of our juniors and seniors who answered the call to be retreat leaders for the Freshmen class are reflective of living the gospel.

I'm **grateful** to you for taking a few minutes to read through our fall magazine. I hope you are **excited** about the news we shared and, most importantly, you are **proud** to be a part of the OA family. Stay connected with us on our social media sites and remember you are always welcome to return home to visit our beautiful, vibrant campus!

With a grateful heart,

A handwritten signature in cursive script that reads "Annette".

Annette Hunger

FROM THE PRINCIPAL

Greetings Twister Friends and Family!

The fall of 2022 has brought about many changes to our school world at Oldenburg Academy. The two biggest changes are that we have a 7-period day now, increasing our contact minutes per class every period of every day, and we are starting school at 8:25 am instead of 8:00 am. Research shows that a later start is very beneficial for teenagers, add to that the distance many of our students travel and that 25 minutes in the morning is very beneficial for many of them. We have maintained our hybrid schedule; we have a traditional 7-period day on Monday, Tuesday, and Friday, and we have block days on

Wednesday and Thursday. These block days allow our students extended class time for labs, activities, and collaboration. Each block day has 4 class periods; since we only have 7 class periods, that leaves us with one extra period every week, and thus the implementation of our Go Beyond Block.

Our faculty and students have had an amazing start to the school year. Our faculty is truly *Going Beyond* to make the educational experiences for our students impactful and unique. We have started a Culinary Arts program, and every week our students are chopping, sauteing, stirring, or baking up something amazing. They have been on multiple local field trips, including visiting a commercial kitchen and the apple orchard. The AP Environmental Science students visited a bird sanctuary, the Laurel Feeder Dam/start of the canal trail. The student media class has been revamped and in addition to working on our yearbook, they have a weekly news video "Around the 'Burg" that airs at school, and is posted on their Instagram site (@OA_Twister_Student_Media), and have a weekly news segment on WRBI. We are in the process of creating a media studio in the basement for them to use as their production studio. In order to keep up with the ever-changing media world, the art program has new cameras, tables, and display boards. Our Seniors have filled out the Common App and are applying for colleges. I look forward to hearing about their admissions and scholarship offers!

It has been wonderful to welcome visitors back on our campus this year. We have 15 students from St. Louis taking Biology on the OA campus with our students and staff everyday. St. Nicholas has been using our facilities for their youth volleyball league weekly. All of the 8th grade students from the Batesville Deanery partner schools have spent a shadow day with our students on campus. The 6th grade students from St. Mary's Greensburg held their retreat on our campus. The class of 1972 held their 50 year reunion, and Alumni Homecoming weekend was celebrated by many! Our teachers have done an amazing job of reaching out to local community members to present to our students during the Go Beyond Block. (If you have any ideas of a skill you believe our students should learn, and are interested in presenting to a grade level of students, please reach out to the school office; we would love to have you!) College Recruiters are back on campus on a regular basis. We are looking forward to renewing Career Day, where our young alum will present to our current students. All of our athletic contests have been open to all fans all year. It is incredible that so many people are just now getting to see our amazing Feldhaus for the first time. Twister Tuesday's are available for on-campus shadow days and our Open House is scheduled for Sunday, November 13. Our campus is active, alive and super busy, and it has been such a blessing to be a small part of it all! Thank you for your continuous support for all of our students and staff, we appreciate you more than you will ever know!

Angela Parmer
Principal

This year's Franciscan Catholic Value focus is on

the dignity of each person

2021-2022 STUDENT SUCCESSES

ACADEMICS

1 Lilly Endowment Finalist

1 Indiana Academic All-Star

1 National Merit Commended Student

23 Graduates (44%) Earned Indiana College Core Technical Certificate through Ivy Tech Community College

5 Graduates Earned an Associate of Art Degree through Ivy Tech Community College

48 of 52 Graduates are pursuing post-secondary education

3 Graduates are entering workforce

1 Graduate entering the military

Class of 2022 earned \$6 million in college scholarships

67% of graduates earned Indiana Academic Honors Diplomas (35 students)

2 Next Generation Hoosier Educator Scholars

2 students won the Archdiocese of Indianapolis Serra Club Vocation Essay Contest

2 student earned top honors in Voice of Democracy Writing Competition

3 students earned first place at Maverick Challenge Local Competition (business)

1 student earned first place in Mount St. Joseph University Writing Essay Competition

85% AP Testing pass rate

COLLEGE-TO-CAREER READINESS PROGRAM

100% of seniors participated in a semester-long internship and/or capstone project

31 different partnering organization participated in our internships

4 students completed capstone projects

Capstone Projects include:

- Murals- Virtue, Honor, Education – World Languages Hallway / Science Hallway
- Computer gaming program
- Chemistry/Physics Inventory Report and Latin Wikipedia

Teacher recognized as the Career Professional Development of Year Teacher for the State of Indiana.

SPORTS

Semi-State Champions in Girls Tennis – First Time in School History

2022 Academic All-State Girls Tennis Team

1 student advanced to Regionals in Girls Golf

2 students advanced to Regionals in Track and Field

19 students named Academic All-State

1 student achieves 1000th career digs in Volleyball

Boys Swimming Relay Team broke school record (1:43.78)

1 student advanced to Regionals in Girls Swimming

5 students signed to play collegiate sports

FINE ARTS

2 students artwork selected for Mount St. Joseph University 2021 Art Exhibition

5 students artwork showcased at Thomas More University Art Exhibition

Regional Scholastic Art & Writing Awards: 4 Gold Key, 2 Silver Key, 2 Honorable Mention

National Scholastic Art Awards: 4 students' artwork advanced with 1 Gold Medal and 1 Silver Medal winners. Gold Medal's art displayed in Carnegie Hall in New York.

BAAC Young Artist Showcase Drama –15 students

BAAC Young Artist Showcase Art – 15 students

BAAC Young Artist Showcase Writing – 19 students

BAAC Young Artist Showcase Instrumental and Voice – 3 students

Regional Youth Artist Patriotic Award – 2 top awards

SERVICE

Launched weekly student-led Bible Study during REACH

Mass and March for Life – students attended service and walk in Indianapolis with Archbishop

OA Day of Service – celebrated Earth Day with campus-wide cleaning and service projects throughout the Village of Oldenburg

St. Louis Science Fair – OA student judges

6 seniors earned Centennial Service Awards for over 100 hours of service

10 students commissioned as Extraordinary Ministers of Holy Communion

Art students created 4 Easter candles for All Saints Parishes

Sophomore Retreat – Day of Service at 6 deanery parishes

30 students attended National Catholic Youth Conference (NCYC) in Indianapolis

15th Anniversary of Twice Blessed Resale Store – providing over \$300,000 in tuition assistance for OA

Going Beyond in **ACADEMICS**

One day a week, the students at Oldenburg Academy have 90 minutes of class time to truly **Go Beyond**. The students are divided into grade level groups and spend this time focusing on a very important aspect of their lives beyond our everyday academic curriculum. The Freshmen class is focusing on Music History and Appreciation. Students are learning to read and play music, as well as gaining a historical perspective on all genres of music. The Sophomore class is focusing on Community Service and Leadership. Being an integral part of the community in which you live is an important part of growing into successful adults. We want to show the students how they can make a difference, even at this point in their lives. Juniors and Seniors are focusing on the next steps in their lives. From truly trying to figure out, "What do I want to be when I grow up?," to learning how to make that happen, we are focusing on giving our students every opportunity to be ready for what's next when they leave Oldenburg Academy. The Go Beyond Blocks are team-taught by three or four faculty members dedicated to creating a unique and innovative learning experience for all students.

Freshmen - Music History and Appreciation

Our Freshmen Go Beyond Block is focused on introducing students to a wide range of instruments including strings, woodwinds, brass, and piano! Every freshman is learning an instrument with the intention of performing a concert at the end of the semester. Students are also working on honing their singing skills; they started with the "Alma Mater" and are slowly working into other holiday music. Future plans include guest musicians, including the IU Jazz group, and workshop instructors. Students are gaining a greater understanding and appreciation of music and the performing arts and, for many, it has ignited a new interest in music.

On Thursdays, the sophomores volunteer at Twice Blessed during the Go Beyond Block days, organizing items and helping around the store.

Juniors - College and Career Readiness

The Junior Go Beyond Block is focused on College, Career, and Planning. Students are given the opportunity to explore different college majors and careers, along with learning the steps needed to achieve their desired paths after graduation. A combination of guest speakers, personality and academic assessment tools, college and university counselor visits, and test prep skills, are part of the curriculum for our juniors, helping students gain a better understanding of how their interests, strengths, and personalities link up with different colleges, trades, career options and post high school plans.

2007 Alum and Former teacher and Vice Principal of OA, Jonathan Maple, returned to speak to the Juniors about interview skills.

Seniors - Career and Life Readiness

For the Senior Go Beyond Block, students are taking the next steps in their college and career planning and focusing on college applications, scholarships, and participating in mock interviews. Visiting college and university admission counselors along with representatives for the military have met with seniors and shared more insight into their programs. Guest speakers are scheduled throughout the year focusing on various careers. A second semester focus will be on everyday life skills like personal finance, cooking, or how to change a tire!

Sophomores - Community Service and Leadership

Our sophomore Go Beyond Block is focused on the importance of community service and involvement. Each week approximately $\frac{2}{3}$ of the sophomore class helps at either Twice Blessed or with the Sisters of St. Francis. For those not out serving that week, students are working in small groups to create their own service projects that we will work to implement to allow them to raise money/donations for a cause of their choosing. Guest speakers have presented to this group focusing on the value of volunteering your gifts and sharing those gifts with others. Students are experiencing first-hand the importance of giving back and what it means to be a servant leader.

ENVIRONMENTAL STUDIES

Mrs. Yane's Environmental Studies class visited the Mary Gray Bird Sanctuary and the Whitewater Feeder Dam in Laurel. The class is studying biodiversity and the sanctuary allowed them to see how undisturbed ecosystems foster much more biodiversity than the human impacted ones with which we are most familiar. They also collected samples at various sites to test water quality.

FRESHMAN RETREAT

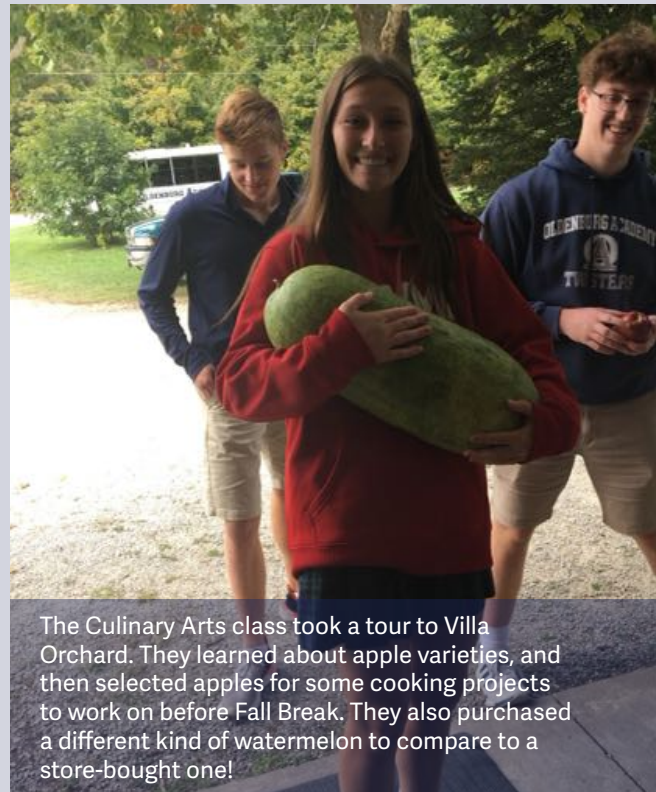

The Freshman enjoyed a Retreat on September 30 at Oldenburg Academy. The theme was "My identity is in Christ; I am a child of God." Father Danny Bedel celebrated Mass and shared a witness talk; he and Fr. Pondo also heard confessions. Brother Hayden Rodrigue from the Legionaries of Christ also joined us to share his witness talk. Additionally, Mrs. Angie Myers lead us in praise and worship. Close to 35 juniors and seniors assisted throughout the day by leading small groups, giving witness talks, and helping with activities. The retreat was a day of faith and fun. We ended the day by praying the Divine Mercy Chaplet at 3:00.

CULINARY ARTS

Oldenburg Academy launched a Culinary Arts program this year for juniors and seniors. The small class of 16 is designed to introduce students to some fundamentals of cooking, including the tools of the trade. Students generally receive textbook instruction two days per week and hands-on time during the block day. So far, they have also helped the Phi Beta Psi sorority make cheeseballs, traveled to the Villa Orchard for a tour, and made baked goods to sell at The Friendly Bean. Other guests and field trips will be planned during the remainder of the school year. The goal of the class is to help students acquire a practical skill before graduation.

The Culinary Arts class took a tour to Villa Orchard. They learned about apple varieties, and then selected apples for some cooking projects to work on before Fall Break. They also purchased a different kind of watermelon to compare to a store-bought one!

BRINGING THE ARTS INTO STEM

The OA STEM department received a grant from the Batesville Area Arts Council (BAAC) to bring in an artist to work with a few students on a very exciting project!

Students Jonah Short '24 (right), Alex Matacia '24, and Madelyn Henry '23 have been working together with Elizabeth Schulte '17 to create a new mural for the science hallway!

Going Beyond in **ATHLETICS**

The athletic teams had a great Fall season!

The Boys Soccer Team finished the regular season 20th in 1A with a 11-8-1 record. They then continued on to the Sectional Tournament and were named the Sectional champions! The Cross Country team had four runners advance to regionals, including Carter Walsman, Adam Dennis, Santiago Schutte, and Maddie Ryan. The Girls Soccer team finished the regular season 10th in 1A with a 11-4-1 Record. The boys tennis team's, Clay Eckstein, finished 10-4 at #1 singles. The Volleyball Team had 13 team wins. Additionally, senior, Caroline Jansing, made her 1,000th career dig and senior, Ellee Bruns, made her 100th career block.

VOLLEY FOR HOPE

Thank you to all who donated to the Volley for Hope fundraiser in honor of Noah Haessig. The grand total raised for Noah was \$1785, in addition to \$100 in gift cards to Kroger along with the two gift card basket winners who donated their winning baskets totaling \$430 back to Noah. The family said they are so appreciative of the outpouring of support!

Going Beyond in **STUDENT LIFE**

AURORA FARMERS FAIR

Seniors, Jacob Hoff and Marissa Eckstein, participated in the 113th Aurora Farmers Fair King and Queen Contest. Jacob Hoff was chosen as King! Thank you and congratulations to both students for representing OA.

NHS INDUCTIONS

The OA Community celebrated and honored the newly inducted members of the National Honor Society.

Congratulations to the following Senior and Junior students. We are so proud of you!

Seniors:

Marissa Eckstein and Yihan Yang

Juniors:

Jacob Cornelius, Amelia Crawford, Lily Dennis, Thaddeus Eaglin, Matthew Hesselbrock, Rachel Lamping, Sara Lamping, Kloie Lehman, Thomas Lohmueller, Angus Lonergan, Kenlee Martin, Connor Miles, Carson Phillips, Lauren Richards, Gracie Ripperger, Mary Ryan, Lillian Schebler, Alexandrite Simmonds, Evelyn Vanderpohl, Sadie Wachsmann, Claire Walke, and Kate Weber

COLLEGE BOARD AWARDS

Twelve OA students were awarded the National Rural and Small Town Award through the College Board National Recognition Program!

Students are eligible for the program awards if they have a GPA of 3.5 or higher and have excelled on the PSAT/NMSQT or PSAT 10, or earned a score of 3 or higher on two or more AP Exams. These programs help students from underrepresented backgrounds stand out to colleges during admissions.

Congratulations to these students on their hard work!

Left to right, top row:

Samuel Hollis '23, Eric Williamson '23, Avery Hammerle '23, Luke Meyer '23, Ellena Bruns '23, Mary Ryan '24, Thomas Lohmueller '24

Left to right, bottom row:

Mary Hunter '23, Erin Pottschmidt '23, Clare Van Meter '23, Madelyn Henry '23, and Kloie Lehman '24

VERSAILLES PUMPKIN SHOW

Seniors, Avery Hammerle and Luke Meyer, participated in the Versailles Pumpkin Show on September 21.

Congratulations to Avery, as she was crowned the Versailles Pumpkin Show Queen! Avery presided over the parade and received a \$500 scholarship from the Versailles Lions Club in addition to a \$1000 scholarship to Ivy Tech.

JUNIOR INDUCTION

On September 14th, OA students, faculty, staff, and community gathered together to celebrate the Junior Induction ceremony. The Junior students received a medal and were formally welcomed into their role as upperclassmen with the responsibility of being positive influencers and leaders of Oldenburg Academy.

ST. LOUIS STUDENTS JOIN OA BIOLOGY 1 CLASS

This year we created a partnership with St. Louis School to provide Biology I to 14 of their 8th grade students. The 8th grade students are transported each day via our OA mini bus from St. Louis to join our Biology I classes. We are excited about this combined learning experience!

SHADOW DAY VISITS

This fall we were excited to welcome 8th grade students from our five partner Catholic middle schools – St. Louis, St. Mary, St. Michael, St. Lawrence, and St. Nicholas – for a shadow day visit to campus! During September and October, 115 students visited our campus and spent the day ‘shadowing’ with an OA student, attending classes, meeting teachers and students, and seeing firsthand all the ways they can ‘go beyond’ at OA! Shadow day opportunities continue throughout the year on Twister Tuesdays.

ADMISSIONS EVENTS

CLASS OF 2027

Twister Tuesdays

Any 8th grade student interested in learning more about Oldenburg Academy is invited to come for a 'shadow day' visit on a Twister Tuesday during the school year. Visiting students will be partnered with an OA student who will serve as their host during their visit to campus. Visiting students will attend classes, meet teachers and students, and see first-hand how they can Go Beyond at OA!

Visiting students will begin their visit in the main lobby at 8:30 AM and will conclude at 3 PM. Lunch will be provided in the Twister Cafe.

Open House

Sunday, November 13, 2022 | 1:00 PM - 3:00 PM

All are welcome to visit during our Open House to tour our beautiful campus, meet our dedicated faculty and staff, engage with current students and families and learn about all the ways you can Go Beyond at OA!

Placement Test and Parent Meeting

Saturday, December 3, 2022 | 8:30 AM – 11:30 AM

The Placement Test is required for consideration of all OA Freshman Scholarships. The test is a 3-hour exam beginning at 8:30 AM. All supplies will be provided for the test. Pre-registration is required.

A parent meeting will be held in the OA Feldhaus during the Placement Test date.

Topics include academic curriculum, athletics, fine arts, campus ministry, financial aid, and scholarships.

Scan to register
for the
Placement Test!

OLDENBURG ACADEMY OF THE IMMACULATE CONCEPTION ALUMNI ASSOCIATION

ALUMNI HOMECOMING

On Saturday, October 8, we celebrated the annual OA/ICA Alumni Homecoming. This was the first time since 2019 we were allowed to gather in the Sister's Chapel to celebrate Mass led by our friend, Fr. Bill Verbyrke, SJ, from Cincinnati. The day honored three alumni and one outstanding educator. Chris Werner '05 received the Exceptional Arts Award for his impressive career in the music industry. He currently serves as a product manager at UK-based label Ninja Tune in Los Angeles. Kris Wampler received the Virtue, Honor, Education Award recognizing her dedication to music education across the tri-state for over 45 years, including 20 years at Oldenburg Academy. Tina Caldwell '80 and Nita Mauer '82 were awarded the Distinguished Alumni Award for their tireless efforts in organizing and facilitating the Holly Bruns Memorial Scholarship which has added over \$112,000 to the endowment fund corpus of \$25,000, enabling almost \$90,000 in scholarships to be awarded to worthy students over the last decade.

Lots of smiles and hugs were shared as alumni reconnected with old friends swapping stories while revisiting the Academic building, Auditorium and ICA Hall (Residents building). For many it was the first time to see OA's new Feldhaus. We are so glad so many alumni could join us for such a beautiful day and are looking forward to next year's homecoming!

The 2023 Alumni Homecoming is scheduled for October 14th. We would love to have more alumni join to celebrate Homecoming -especially the younger classes. We would love ideas and feedback in regard to how we can encourage more alumni to come back to visit!

Newly appointed OA school president, Annette Hunger, shares a few stories with Kris Wampler, Connie Deardorf (past OA Principal), and Janey Stephens (past OA teacher).

Sr. Ruth Mary Forthofer '51 rarely misses an OA Homecoming and this year was no exception. She graciously led us in prayer before enjoying the wonderful lunch our friends at Izzy's provided for us.

OA graduate, Chris Werner '05, flew in all the way from Los Angeles for the day to receive the 2022 OA Alumni Exceptional Arts award. Here he is sharing a story during his acceptance speech.

Kris Wampler is all smiles as she receives the 2022 OA Alumni Virtue, Honor, Education Award in the Sister's Chapel.

WE WOULD LOVE TO STAY CONNECTED!

Update your address, phone, and email as you continue to make changes in your lives so we can quickly contact you when necessary.
