

ANNUAL REPORT 2022 - 2023

“Remember when you leave this earth, you can take with you nothing that you have received, only what you have given: a heart enriched by honest service, love, sacrifice, and courage”

~ Saint Francis of Assisi

As we acknowledge and celebrate the many gifts and blessings given to Oldenburg Academy of the past year, we thank each and everyone of you for honest service, your love, your sacrifice and your courage to continue to advance our mission! We are grateful and we are committed to being good steward leaders for all that has been shared with us!

No matter how you gave, we thank you all for advancing our mission!

This Annual Report recognizes donors who contributed to Oldenburg Academy of the Immaculate Conception between July 1, 2022 and June 30, 2023. Every effort is made to ensure the accuracy of reporting. We apologize for any error or omission and welcome corrections to this report.
